SENATE BILL

No. 925

Introduced by Senator Alarcon

February 22, 2005

An act to add Section 66204.1 to the Education Code, relating to high schools.

LEGISLATIVE COUNSEL'S DIGEST

SB 925, as amended, Alarcon. High schools: college preparatory courses.

~~(1) Existing~~

Existing law requires the Superintendent of Public Instruction to assist all school districts to ensure that all public high school pupils have access to a core curriculum that meets the admission requirements of the University of California and the California State University. Existing law also requires the Superintendent to advise school districts that maintain high schools about the importance of making readily available to each high school pupil the current list of courses offered by the school attended by the pupil that are certified by the University of California as meeting admissions requirements.

This bill would ~~require each~~ *authorize a* public high school to accommodate ~~each~~ *a* pupil who commences grade 9 in the 2007-08 academic year or any academic year thereafter, and who requests admission to a college preparatory course, as defined, for which he or she qualifies by successfully completing prerequisite coursework or by demonstrating appropriate skill mastery. The bill would provide that a school could accommodate ~~these pupils~~ *that pupil* by methods

including reorganizing class offerings, offering combination classes, increasing the rigor of classroom curricula by ensuring the class meets college preparatory requirements, and reorganizing class schedules. ~~By imposing additional requirements on school districts, this bill would impose a state-mandated local program.~~

~~(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~yes-no~~. State-mandated local program: ~~yes-no~~.
